

ENTREPRENEURSHIP DEVELOPMENT CELL

- Vision** : • To become a leading educational institution in fostering entrepreneurship among young minds, with a special focus on empowering women entrepreneurs and promoting inclusive economic growth, innovation, and social change in our society.
- Mission** : • To provide a comprehensive ecosystem for students, particularly women, to develop entrepreneurial skills, access resources, and utilize government resources and schemes. Our goal is to enable them to start and sustain successful businesses, transforming them into job creators rather than job seekers.
- Objectives** : • Provide training and mentorship programs that equip students, especially women, with essential entrepreneurship skills.
- Facilitate access to government schemes, funding opportunities, and resources for startups, focusing on supporting women-led businesses.
 - Reduce the barriers and challenges faced by students, particularly women, in starting new businesses.
 - Encourage a culture of entrepreneurship among students, emphasizing the creation of their own businesses and women's economic empowerment.

- Organize workshops, seminars, and training programs that foster innovation, creativity, and business acumen among students, with a focus on women entrepreneurs.
- Aims** :
- To implement a structured mentorship program that delivers personalized guidance specifically designed to address the unique challenges faced by women entrepreneurs.
 - To facilitate streamlined access to essential resources and funding opportunities that support the growth and sustainability of women-led businesses.
 - To actively promote and increase the participation of women in entrepreneurship and leadership roles, fostering an inclusive business environment.
 - To develop a robust ecosystem that comprehensively addresses the distinct challenges encountered by women entrepreneurs, thereby nurturing innovation and growth.
 - To organize targeted workshops and training programs that equip women entrepreneurs with the necessary skills and knowledge to succeed in their ventures.
