DEPARTMENT OF
PHYSICS & CHEMISTRY

ABOUT THE COLLEGE

Theni Kammavar Sangam College of Arts & Science was established with the noble objective of providing quality education to the socially and economically challenged section of Theni district at an affordable cost. The college was established in 2009. At present the college offers 14 UG, 07 PG courses and Certificate courses including PGDCA & DCA.

ABOUT THE DEPARTMENTS

The Department of Physics is a vibrant academic unit dedicated to excellence in teaching, learning, and research. The department offers B.Sc. and M.Sc. programs designed to provide students with a strong foundation in both theoretical and experimental physics.

The Department of chemistry is a hub of academic excellence and innovation. It offers B.Sc. and M.Sc. programs, fostering a dynamic academic environment for advanced learning thorough fundamental knowledge of all fields of chemistry to take up challenging assignments in the developments.

THEME OF THE CONFERENCE

The NATIONAL CONFERENCE ON FUNCTIONAL MATERIALS (NCFM'26) is to be conducted on 20th Febaury-2026, to provide innovative ideas on current trends in research about the functional materials used in Physics and Chemistry. The aim of the conference is to bring together the most distinguished scientists, industrialists, research scholars and academicians to share their findings.
