WEBIO'25

The department Association Webio' 25 was officially inaugurated on 30th July 2025 at 10:00 AM in the Seminar Hall, setting the stage for a vibrant academic year filled with technical events, workshops, seminars, coding contests, and peer learning opportunities. The association promises to serve as a platform for students to develop their technical and leadership skills beyond the classroom. A Memorandum of Understanding (MoU) was signed between the institution and Deep Drive Technologies, aiming to open new avenues for student internships, industrial training, research collaboration, and skill development activities.

GUEST LECTURE

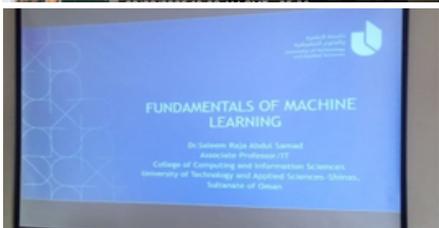

The Department of Computer Science, Information Technology, and Department of Computer Applications, hosted an insightful guest lecture on the topic "Machine Learning Unveiled: From Basics to Career Building" on 8th August 2025 at 10:00 AM in the Mini Seminar Hall. Mr. Sathiya Moorthy, Associate Manager – MDM Solutions, DSM-Firmenich, Hyderabad, brought with him nearly two decades of industry experience, blending technical depth with real-world application.

WORKSHOP

As part of its on-going commitment to academic excellence and industry-oriented learning, the Department of Computer Science & Information Technology, in collaboration with the Department of Computer Applications, organized a guest lecture on "Fundamentals of Machine Learning" on 20th August 2025 at 10:00 AM in the Computer Lab. With extensive academic experience and international exposure Dr. A. Saleem Raja, Associate Professor, College of Computing and Information Sciences, University of Technology and Applied Sciences, Shinas, Oman, delivered a foundational yet insightful session, helping students grasp the essential principles of Machine Learning (ML)—a cornerstone of modern Artificial Intelligence.

INTERNAL AUDIT

The internal audit for our department conducted on 28th July 2025 to ensure that all processes, activities, and records are maintained in accordance with institutional policies and regulatory requirements.

CLASS COMMITTEE MEETING

A Class Committee Meeting was held from 28/07/2025 to 30/08/2025 to review academic progress, syllabus coverage, and student feedback. Faculty members presented updates on teaching status, and students shared suggestions for improving learning outcomes. Issues related to attendance and lab facilities were also discussed. Action points were noted for timely resolution.

IBM PC DAY

To celebrate the legacy of one of the most iconic inventions in the history of computing, the Department of Computer Applications, organized a Commemoration Day Celebration dedicated to the IBM Personal Computer (IBM PC) – a revolutionary device that redefined the personal computing landscape. Students delivered engaging presentations covering the origin, architecture, and evolution of the IBM PC since its debut in 1981.

TEACHERS DAY

In heartfelt recognition of the unwavering commitment, guidance, and inspiration provided by educators, the Department of Computer Applications, proudly organized a Teacher's Day Commemoration Celebration on 4th September 2025.

STATISTICS DAY PROGRAMME 2025

On behalf of the Mathematics Department, World Statistics Day was celebrated on June 22, 2025. K. Piyadharshni, a III B.Sc. Mathematics student, delivered a lecture on the history of statistics.

π (PI) Approximation Day

On behalf of the Mathematics Department, π (Pi) Approximation Day was celebrated on July 22, 2025. A circle game was conducted, and R. Saranya, a III B.Sc. Mathematics student, delivered a lecture on the history of Pi.

VEDIC MATH CLUB INAGURATION 2025

The Department of Mathematics organized the Sum Math Club Association and Vedic Math Club Inauguration, along with a Guest Lecture on "Stability of Neural Networks", on July 25, 2025. The lecture provided valuable insights into neural networks and marked the beginning of the clubs' academic activities.

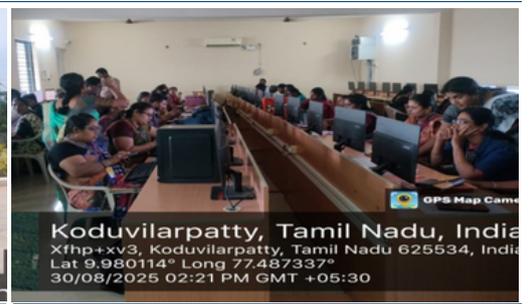

ORGAN DONATION DAY PROGRAMME

The Department of Mathematics conducted an Awareness Programme on August 13, 2025, in observance of World Organ Donation Day. The day is observed annually to raise awareness about the importance of organ donation and to encourage people to pledge their organs to save lives and improve the quality of life for others. As part of the programme, a video presentation on the importance of organ donation was shared.
